

NOTICE OF CORRECTION TO PROVISIONAL MAP IN CENTRAL SOUTHERN ENGLAND

The Access to the Countryside (Correction of Provisional Map) (England) Regulations 2003, Sections 3, 4, 6, 7, 8 and 9

In accordance with the provisions of Sections 3, 4, 6, 7, 8, and 9 of The Access to the Countryside (Correction of Provisional and Conclusive Maps) (England) Regulations 2003, a correction to the map in Central Southern England was made on 1 October 2003.

The correction concerns land at Warren Heath, Hampshire, approximately 4 miles west of Yateley, and approximately 2 miles north west of the junction between the A30 and the A327 (map reference 477090,159920). The effect of the correction is that 13 hectares of land that was incorrectly shown as Open Country will be removed from the map.

The map to which the correction relates is henceforth to be treated as corrected to the extent described. The map will be available to view from 21 October 2003, on our website (www.countryside.gov.uk/access/mapping), and reduced scale printed copies will be available at selected regional offices (phone the helpline on 0845 100 3298 for an appointment), local authority offices and selected public libraries. The map will also be sent to Parish Councils (for their local area), national landowner and countryside user representative groups.
