

## Conclusive map of open country and registered common land in West England

The Countryside and Rights of Way Act 2000 will create new rights to walk on 'access land' - generally mountain, moor, heath, down and registered common land. The Countryside Agency is required to produce maps of registered common land and open country in preparation for the introduction of the new public access rights.

The conclusive map for West England was issued on 1st July 2005. It includes changes resulting from appeals decisions to some areas shown as registered common land or open country on the provisional map issued by the Agency. The conclusive map excludes a small parcel of land at Richmore Hill (Bucks).
